

DT100 - 2-2 Offensive Point Support - U18 F

Key Points:

Attackers get either passive or active support at the point. On transition the original defenders attack vs. the players at the point.

Description:

1. Offensive 1-2 attack vs. defensive 1-2.
2. Offensive players 3-4 support the attack from the point either active or passively.
3. On transition after a goal, frozen puck or turnover defensive 1-2 attack the other net vs. 3-4 at the point.
