

NEAAU FALL LEAGUE SCHEDULES 2024

SCHEDULE – See following pages to learn the schedule for each age group. The league schedule identifies the team matchups on each league weekend, as well as the host and traveling teams.

TEAM CONTACT INFORMATION – All teams will be emailed a team contact spreadsheet, so that they can contact their opponents to finalize game (Saturday or Sunday), game times and game location.

TEAM PAGES / ROSTERS– NEAAU Baseball is experimenting with a new registering and rostering software (EventConnect) for its 2024 Fall League. Coaches will manage their league roster, schedule and scores by logging into the same EventConnect account created to register for the Fall League. Team coaches and other team administrators can be invited to manage/edit your team roster. Email tskovron@neaaau.org if you have questions.

LEAGUE STANDINGS – NEAAU Baseball uses TourneyMachine and the TourneyMachine mobile app to manage and make available the league standings and scores. www.tourneymachine.com. League standings will also be available on www.neaaubaseball.org.

ROSTER DEADLINE – Your league roster is due on your EventConnect account by Friday, September 6. All teams have until September 30 to make changes to their league rosters. <http://www.neaaubaseball.org/fall-league-rosters>
