Welcome!
to the
2023 AAU
7-Under / 8-Under
Boys Basketball
WORLD
CHAMPIONSHIPS!

Congratulations! Your teams represent the best and you are all truly awesome! Your hard work has advanced you to this world level of basketball, and you should be proud. We should also recognize that young athletes would not be successful without the help, financial support, guidance and encouragement from many parents, coaches, volunteers, and family.

The Maryland District AAU is an established organization and continues to be a top competitor. All AAU programs challenge our athletes to improve their sports skills, build life skills and achieve their fullest potential. Our programs inspire, motivate and guide our athletes, and are designed to build character.

On behalf of the Maryland District AAU Executive Committee, I congratulate all of the Coaches, Volunteers and Athletes who distinguish themselves during this competition.

May we always remember the individual triumphs and great moments of this event. I hope that you all take away with you great memories, that you make new friends and that you learn many important life experiences while participating in AAU Sports programs.

Play hard and have fun! I sincerely hope that everyone enjoys their stay in Maryland!

Wheelabrator Baltimore

As a significant partner in the City of Baltimore's revitalization over 30 years, Wheelabrator has helped the city reduce its carbon footprint while providing Tier 1 renewable energy to tens of thousands of Maryland homes and businesses. In addition, it has been a supporter and contributor to several green initiatives within the city.

COMBINING THE LEGACIES OF WASTE INDUSTRY LEADERS

"Wheelabrator Baltimore's been an outstanding environmental steward in Baltimore City. Not only have they saved significant landfill space for the region, but they've operated the plant in an efficient, clean manner producing clean, green electricity."

- Chris Skaggs, Executive Director, Northeast Maryland Waste Disposal Authority
